

Assembly and disassembly system for plate heat exchangers

PRODUCT PAGE

- Tightening tool for plate heat exchangers, FPT code: HEAS is our assembly and disassembly system to perform opening and closing procedure on the exchangers.
- Precise, compact and light weight system for assembly and disassembly plate heat exchangers
- The best solution for customers with a variety of heat exchanger model sizes
- Aluminium hollow cylinders, open bridge and electric hydraulic pump to control 4 cylinders
- Full set of split nut, hex adapter and bushes

Spare parts list

Item	Qty	Part Number	Description
A	1	0900119919	Wrench
A,1	1	0925419910	Hex adapter ex 75
A,2	1	0925419911	Hex adapter ex 70
A,3	1	0925419912	Hex adapter ex 65
A,4	1	0925419913	Hex adapter ex 60
A,5	1	0925419914	Hex adapter ex 55
A,6	1	0925419909	Hex adapter ex 80
B	1	0900127052	Retaining ring
B,1	1	0925427053	M36 split-nut
B,2	1	0925427054	M39 split-nut
B,3	1	0925427055	M42 split-nut
B,4	1	0925427056	M45 split-nut
B,5	1	0925427057	M48 split-nut
B,6	1	0925427058	M52 split-nut
C	1	0900127044	Spacer assembly
C,1	1	0913827046	D.37 bushing for spacer
C,2	1	0913827047	D.40 bushing for spacer
C,3	1	0913827048	D.43 bushing for spacer
C,4	1	0913827049	D.46 bushing for spacer
C,5	1	0913827050	D.49 bushing for spacer
C,6	1	0913827051	D.53 bushing for spacer (not visible)
D	1	0900127039	Hydraulic cylinder
